Nice problem to have if you are client. If I were them I would demand an immediate refund!

Maybe they will split it with you and me...

Exactly. We have clear documentation of what was owed and what was deposited, which matched exactly. The rest is an incorrect application by the state.

Once again great job for the follow up. Sounds great.

We look forward to the resolution on Amicas and Ross. Sapers it sounds like the State of MA put in an extra \$175k into their account had nothing to with us (Advantius and Adminasource) is that how you understand it to be?

Thanks again Neal

Jeff

Jeff -- Ross and Amicas are close as well. I think that Sapers and Wallack state tax issue is handled.
